Introduction

This policy incorporates the aims and values of our school vision, which is rooted in our belief that all children deserve opportunities to enable them to thrive, and that this is reflected in the desire, commitment and aspirations of our school staff to address and overcome socio-economic factors – or any other external factor – which may hinder pupil progress and attainment, and ultimately affect their life chances.

The school recognises that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding. It is school policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident. The school does not use this policy to displace current strategies to intervene and support its pupils. Some pupils may be achieving well, but will be entitled to funding to enhance their future educational aspirations and achievements.

1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to year 6.

Eligible pupils fall into the categories explained below and are deemed as disadvantaged children.

4.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant or junior free school meals but would not have otherwise received free lunches.

4.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

4.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

4.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

5. Use of the grant

- Decisions are made on how to spend pupil premium based on the outcomes of termly progress meetings as well as the whole school self-evaluation and school development priorities.
- A proportion of the pupil premium budget will be spent on free milk, uniform subsidies and subsidising educational visits.
- Evidence-based research and resources will be used to inform decisions on pupil premium funding.

Some examples of how the school may use the grant include, but are not limited to:

- Quality first teaching and CPD opportunities related to this
- Funding educational visits
- Uniform subsidies
- Providing extra one-to-one and small group support
- Employing teaching assistants to run targeted interventions
- Addressing pupil wellbeing
- Engagement with parents

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's requirements on what maintained schools must publish online.

6. Roles and responsibilities

6.1 Headteacher and senior leadership team

The headteacher and senior leadership team are responsible for:

- Keeping this policy up to date, and ensuring that it is implemented across the school

- Monitoring the attainment and progress of pupils eligible for the pupil premium to assess the impact of the school's use of the funding
- Reporting on the impact of pupil premium spending to the governing board on an ongoing basis
- Publishing the school's pupil premium strategy on the school website each academic year, as required by the DfE
- Providing relevant training for staff, as necessary, on supporting disadvantaged pupils and raising attainment

- The progress of all children within their class.
- Working closely with the SLT team to ensure that disadvantaged children make good or better progress in line with their starting points.
- Playing an active and proactive part in assessing and refining strategies to address engagement and learning gaps experienced by disadvantaged children.

All school staff are responsible for:

- Implementing this policy on a day-to-day basis
- Setting high expectations for all pupils, including those eligible for the pupil premium
- Identifying pupils whose attainment is not improving in response to interventions funded by the pupil premium, and highlighting these individuals to the senior leadership team
- Sharing insights into effective practice with other school staff

7. Monitoring arrangements

This policy will be reviewed bi-annually by the Inclusion Leader. At every review, the policy will be shared with the governing board.
