1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share a relevant protected characteristic
- Foster good relations across all characteristics between people who share a protected characteristic and people who do not share it. The protected characteristics are:
 - o Age
 - o Disability
 - Gender reassignment
 - Marriage or civil partnership
 - Pregnancy and maternity
 - o Race
 - Religion or belief
 - o Sex
 - Sexual orientation

Our school aims to promote respect for difference and diversity in accordance with our values; respect, responsibility, perseverance, belonging, creativity, curiosity and self-belief.

2. Legislation and guidance

This document meets the requirements under the following legislation:

- The Equality Act 2010, which introduced the Public Sector Equality Duty and protects people from discrimination
- The Equality Act 2010 (Specific Duties) Regulations 2011, which require schools
 to publish information to demonstrate how they are complying with the Public
 Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: The Equality Act 2010 and schools, the technical guidance for schools from the Equality and Human Rights

Commission and guidance from the Government Equalities Office on meeting the specific duties that support the Public Sector Equality Duty.

3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents/carers
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

The equality link governor will:

- Meet with the designated member of staff for equality twice per year, and other relevant staff members, to discuss any issues and how these are being addressed
- Ensure they're familiar with all relevant legislation and the contents of this document
- Attend appropriate equality and diversity training
- Report back to the full governing board regarding any issues

The headteacher will:

- Promote knowledge and understanding of the equality objectives among staff and pupils
- Monitor success in achieving the objectives and report back to governors
- Have "due regard" when making a decision or taking an action to whether it may have particular implications for people with particular protected characteristics

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

The school has a designated member of staff for monitoring equality issues, the Inclusion Leader, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will adapt the curriculum to suit the needs of our cohort of children.

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Making pupils aware of our behaviour and anti-bullying policies
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies, and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. As such, we encourage all children to become involved in all aspects of the school, such as pupil voice groups, curriculum enrichment opportunities and cultural events.

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made. We consider equality implications before and at the time that we develop policy and make decisions and continue to review these on a continuing basis.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment. Add to risk assessments. [1][2][3]

8. Equality objectives

As a school, we are required to publish equality information every year:

 We must report on at least 1 equality objective once every 4 years – we've chosen Spring 2029 to be our deadline for this

Objective 1

To recognise where unconscious bias may play a part in decision making, attitude and practice.

Why we have chosen this objective:

• to ensure that there is not a disproportionate amount of rewards and sanctions issued to specific groups of children (age, gender, SEND, socio-economic).

To achieve this objective, we plan to:

- unconscious bias training
- analyse data
- pupil and parent voice.

Progress we are making towards this objective:

9. Monitoring arrangements

School-specific equality objectives will be reviewed by the governing board at least every 4 years.

This document will be reviewed by the governing board annually, to ensure continued compliance with the Public Sector Equality Duty.

This document will be approved by the governing board.
