High View School Clubs – Autumn Term 2025

Please find attached a list of the extra-curricular clubs we are offering during the Autumn Term. Most clubs will be starting week beginning Monday 15th September 2025 and will finish week ending either Friday 5th December or week ending 12th December. **Please check with external club providers for their timetable of exact dates.**

All applications for High View run clubs must be done via the website below. **All external clubs and TA clubs must be booked directly with them and can be booked as soon as you receive this letter.** Details of their booking websites/emails can be found on the attached sheet.

<https://highview.schoolcloud.co.uk/>

Please login using the following information:

Login Code:

Student Date of Birth:

Your child's date of birth

Parent Email:

Email address provided to school

School run clubs are allocated on a first come first served basis, if a club is full please email the school office to be added to the waiting list. Pupils can only select one school run club, if a club is full please email the school office to be added to the waiting list.

Booking session will open Friday 5th September at 6:00pm

Allocation of Places and Payment

Once the online booking session is closed a letter will be sent home with pupils confirming their place and outlining the club dates, times, any payment details and the collection gate. You must return the completed reply slip to the school office by the date stated on the letter or your child's place may be allocated to another pupil.

If you apply for any external clubs/TA clubs, they will contact you directly to confirm places, dates and payment details.

Club Attendance and Pick up Arrangements

All clubs will keep a register and your child will need to tell the teacher in charge if they have to miss the club for any reason. This is important for health and safety reasons and as a matter of courtesy. We will also need to know the collection arrangements and emergency contact details for your child for after school clubs. Children must be collected on time at the end of each club, repeated late collection or missed sessions will result in your child losing their space. If your child no longer wants to attend an allocated club, please let the school office know as the club can be offered to another child.

Please see full list overleaf outlining the details of the clubs on offer. Clubs in grey are external providers and must be booked directly with them. Clubs in white are school run and can be booked via the school cloud

Yours sincerely
