Dear Parent/Carer

Early Years - making and tasting toast

I am writing to let you know that during the week beginning 6.10.25, children in Nursery will be taking part in making and tasting toast as part of snack time. This links to our learning about changing materials by heating and cooling. We will observe and describe the bread before and after it goes in the toaster, and notice what happens to the butter when it's spread on the hot toast.

If you wish to discuss any of the ingredients, please do see your child's class teacher **on Monday 6.10.25**. We are a nut-free school and are aware of all of our children's dietary requirements. Be mindful that **it is the responsibility of the parent to inform the school of any changes to their child's dietary needs.**

We will ensure that we inform families of each individual food activity happening in school. When your child joined High View you were asked to indicate consent for food tasting/preparation activities and provide details of any dietary requirements. This information is stored on our school database and we will have access to this information for this event.

Yours faithfully

The Nursery Team
