Dear Parents and Carers,

At High View Primary School, we believe in the importance of empowering our children to **speak up, be heard and create change**. Our Pupil Voice Groups give pupils the opportunity to actively contribute to school life, develop leadership skills, and make a positive difference within our school community.

This year, we are inviting children to apply to be part of one of our Pupil Voice Groups. These groups allow pupils to take on specific roles and responsibilities that support different aspects of school life - from well-being and learning to sustainability and community engagement. We are incredibly proud of the work our Pupil Voice Groups have done in previous years, and we are excited to see what this year's groups will achieve.

Each child has taken home a job application form today. If your child would like to apply for more than one role, they are welcome to do so - please ask them to speak to their class teacher to request an additional application form.

- Deadline for applications: Friday 19th September
- Interviews will take place: Week commencing Monday 22nd September
- Successful applicants will be announced in Celebration Assembly: Friday 3rd October
- Pupil Voice Group roles will begin: Week commencing Monday 6th October

Attached to this letter is a table outlining the Pupil Voice Groups available this year and the year groups eligible to apply for each role, the job specification for each role and the application form.
