Christmas Celebration Performance

Dear parents/carers,

This year we invite you to join us and your nursery child/children for a Christmas celebration/performance on **Friday 12th December at 10.30-11.15am** (approximately). This will take place in the main hall and we ask that the children dress up in party clothes or christmas jumpers/headbands etc.

There will be 2 audience spaces per child, which is to ensure the children feel as relaxed as possible in an environment that can sometimes be unfamiliar and unnerving for our youngest performers. If no audience members can attend for your child please do let us know so we can prepare and support your child fully.

When you arrive at the hall we will be encouraging you to make a Christmas craft with your child. After this the children will no doubt amaze you by performing their wonderful winter songs, spoken words and actions. We are hoping to create a relaxed environment for the performance and therefore the majority of seating for the event will be on mats on the floor. We also welcome parents/audience members to feel free to perform with your child when it is their turn if this would help them. This can be decided on the day based on your child's preferences!

Finally, as some of the children may find the change to routine difficult, if you wish to take your child home after the show, you may. If your child would like to stay at nursery, they can of course stay for the remainder of the day.

Kind regards,

The Ducklings Team
