Dear Parent/Carer

Nursery - making sandwiches

I am writing to let you know that during the week beginning 24.11.25, children in Nursery will be taking part in making sandwiches as part of snack time. This links to our learning about everyone having different likes and dislikes, and being respectful of this. We will each make a sandwich and choose a filling, discussing that some people like different things.

If you wish to discuss any of the ingredients (bread, dairy-free spread, jams of different flavours), please do see your child's class teacher **on Monday 24.11.25**. We are a nut-free school and are aware of all of our children's dietary requirements. Be mindful that **it is the responsibility of the parent to inform the school of any changes to their child's dietary needs.**

We will ensure that we inform families of each individual food activity happening in school. When your child joined High View you were asked to indicate consent for food tasting/preparation activities and provide details of any dietary requirements. This information is stored on our school database and we will have access to this information for this event.

Yours sincerely

The Nursery Team
