18th November 2025

Dear Reception Parents, and Carers,

You may have seen that we have provided logins for Doodle Maths and Bug Club in your child's reading log. Please also find the Bug Club information letter attached for further details.

We would like to emphasise that both Doodle Maths and Bug Club are *optional* resources. However, they are enjoyable, beneficial, and provide great additional opportunities for learning at home.

Doodle Maths

Doodle builds confidence and ability in maths by creating a personalised programme tailored to each child's strengths and areas for development. Using Doodle for just 10 minutes a day has been shown to help children make up to three months of progress in just one month!

We encourage a gentle 'little and often' approach at home. Children can earn certificates in school for maintaining streaks, and we also celebrate weekly 'Top Doodling Classes'. Team points may be awarded for home use too. Miss Archer gives out certificates and stickers, and the children really enjoy using this resource.

Bug Club

Bug Club provides another enjoyable route for reading practice, and books read on Bug Club can be written in your child's reading log. We will allocate new books as we teach new sets of sounds. Please use Bug Club at your child's own pace. The school code is: **r7hj**.

Please access both Doodle Maths and Bug Club as and when it suits your child. Our priority in Reception will continue to be reading at least **five times a week**, including digital books on Bug Club.

Thank you for your continued support.

Kind regards,

The Reception Team
