Dear Parents and Carers,

Thank you for your patience regarding the recent proposal to reduce the school day by ten minutes. We are grateful for the thoughtful feedback shared by so many of you.

Following a review of the proposal—including the impact on local traffic and the recent opening of Carew Academy—the governing board can confirm that **the school will *not* be making any changes to the current school hours**. We recognise the importance of consistency for children and families and your feedback was considered in reaching this decision.

The governing board continues to work with staff and unions, as the proposal is linked to addressing the school's financial pressures. This work is ongoing, and we remain committed to managing our financial responsibilities in a way that protects the quality of education and considers the wellbeing of our pupils and staff.

We would like to extend our sincere thanks for your patience, understanding, and engagement during this period.

As always, we appreciate your continued support.

Many thanks

Mr R Claxton
Headteacher
