27th November 2025

Dear Parent/Carer,

I am writing to let you know that during your child's Forest School session on Tuesday 16th and Thursday 18th December, Year 1 and Year 6 children will have the opportunity to have a small hot chocolate and s'mores around the campfire. This links in to the current topic of **fire** that we are exploring at Forest School in year 6. (An extra treat for the year one students!)

The children will receive a small cup of hot chocolate as well as the choice of having a chocolate covered biscuit with a marshmallow that will be warmed over the fire.

We have already requested parental consent for food tasting and preparation activities, along with details of any dietary requirements. We have used this information to inform our planning. Please let your class teacher know about any changes to your child's dietary information.

I have provided a copy of the ingredients of the hot chocolate and biscuits we will be using on the day.

We will be using the Asda branded milk chocolate biscuits.
