3rd December 2025

Dear Year 1 parents/carers

Tapestry Account – De-activation/Deletion Year 1 Pupils

Our Tapestry system is currently used to record observations for children in Nursery and Reception.

Our Tapestry licences are up for renewal at the end of December. A decision has been made to no longer pay for licences for our Year 1 children to have Tapestry accounts. This is because Year 1 classes no longer use the platform to upload learning or record observations. This will result in a financial saving for the school.

This means we need to remove the current Year 1 accounts from the Platform.

As parents, you will continue to have access to your child's account until Wednesday 17th December. This will enable you to view and/or download any observations should you wish to, from your child's time in nursery and reception.

Please note that accounts for children in Year 1 will be deleted on Thursday 18th December, all observations will be permanently removed and we will not be able to retrieve them, so please ensure you download any observations you wish to by Wednesday 17th December.

Kind regards

School Office
