Parent and Carer Survey Autumn 2025

Dear Parents and Carers,

Your voice is important and we want to hear what you have to say about High View! We are currently inviting all parents and carers to complete the [Autumn 2025 Parent and Carer Survey](#). [Click this link to go to the survey](#). Your feedback is incredibly valuable—it directly informs our planning, decision-making and the development of future initiatives. The more responses we receive, the clearer and more accurate our understanding becomes of your experience as a High View parent or carer. It is important for us to celebrate our strengths as well as work on any areas of development.

The survey will close on Thursday 18th December at 5pm. We kindly encourage you to take a few minutes to complete the survey before the deadline.

Your answers will be shared with staff and governors and will be completely anonymous. We will use your answers to help us understand what school is like for you as a parent/carer, which will help us to further improve High View for all pupils.

Once the survey window has closed, we look forward to reviewing the results and comparing them with the findings from our summer 2025 parent and carer survey. We will be sure to share these insights with our families and continue strengthening our partnership with you.

Thank you, as always, for your continued support.

Mr R Claxton
Headteacher
