6th February 2026

Dear Parents and Carers,

We are delighted to share some exciting news with you! Over the coming months, we will be creating a brand new library space for our children, designed to inspire a love of reading and a joy for learning.

The children are already very excited about this project and have been sharing lots of wonderful ideas about what they would like to read and explore. We are looking forward to creating a welcoming, engaging space where every child can discover books they love.

Reading for enjoyment plays a vital role in children's development. It helps to build imagination, empathy, vocabulary, and confidence, while also supporting wellbeing and a lifelong love of learning. A rich and varied library will give our children the opportunity to explore new worlds, learn about different experiences, and develop their own interests.

To help us build this special space, we would be very grateful for donations of new or good-quality books. We are looking for books from a wide range of genres and suitable for all ages, from Nursery through to Year 6. This could include bilingual books, picture books, early readers, chapter books, non-fiction, poetry, and much more.

To support you with choosing books, I will be sharing a link to a list of recommended texts for each year group. This is completely optional but may be helpful when selecting donations.

If you are able to contribute, please drop off your donations at the office. Your support would make a real difference and help us create a library that all children can enjoy and feel proud of.

Thank you, as always, for your continued support. We look forward to sharing updates with you as our new library space comes to life.

Kind regards,

Miss Chowdhury
