6th February 2026

Dear Parent/Carer,

I am writing to let you know that during the week commencing **9th February**, children in EYFS will be taking part in tasting ginger products. This links with our Traditional Tales topic and the story of The Gingerbread Man. We will talk about language relating to flavour and texture, and notice that we all have different likes and dislikes..

We will be using a range of ginger-based products. If you wish to see any of the ingredients, please see your child's class teacher on **Monday 9th February** and they will be able to provide you with information on the packaging. We are a nut-free school and are aware of all of our children's dietary requirements. Be mindful that **it is the responsibility of the parent to inform the school of any changes to their child's dietary needs.**

We will ensure that we inform families of each individual food activity happening in school. When your child joined High View you were asked to indicate consent for food tasting/preparation activities and provide details of any dietary requirements. This information is stored on our school database and we will have access to this information for this event.

Yours sincerely

Miss Hill  
Early Years Leader
