As you know, High View was inspected by OFSTED this week. We look forward to sharing the final report with you all which, after being quality assured, will be published in approximately 30 days.

You can find out more about how OFSTED inspectors evaluated our school by [reading this document](#).

In the meantime, you are all able to [read High View's Challenge Partners Review](#) report - a whole school evaluation process into the impact of our school's approach to teaching and learning.

The Challenge Partners Review is a three-day rigorous whole school evaluation headed by an expert lead reviewer. School reviews are conducted by a trained team of headteachers and senior leaders from schools within the Challenge Partners network. This review took place shortly before our OFSTED inspection!

Thank you all for your continued support, especially during this very intense week.

Year 5 Wizard School Hook Day

Year 5 had an enchanting day as they launched their new persuasive writing unit with a Wizard School Hook Day. Pupils were immersed in magical learning, taking part in potions lessons, spell writing, wizard challenges and creative school design activities. Throughout the day, they explored what makes a school truly special and began gathering ideas to help them persuade wizards to enrol in their very own school of wizardry. It was a fantastic day full of creativity, imagination and excitement! **Mrs Metwally—Falcons**

Year 2 have thoroughly enjoyed bringing their history learning to life this half term! In between two of our writing learning journeys, the children recreated the Great Fire of London in the playground. As part of this experience, they built their own 1666-style houses at home with their families, and we were so impressed with the creativity and effort shown. The children then used their houses to explore how the fire spread so quickly from building to building, deepening their understanding of this significant historical event.

For their second writing learning journey, the children drew on the emotions they experienced while watching the houses "burn" to write diary entries from the perspective of someone living in 1666. This powerful, hands-on experience has enriched their writing, enabling them to produce thoughtful and emotive recounts. Thank you to all of our families for your continued support! **Mrs Mason—Moles**

Upcoming Non Uniform Days

Friday 6th March

World Book Day—Character Dress Day

Up

Children and staff are invited to into school dressed as their favourite character.

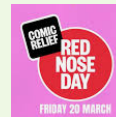

come book

This year our PTFA are holding a pre loved book day costume sale. This will take place again after half term. They are still accepting donations of costumes, so if you have the opportunity to have a sort out over the half term, they can accept any outgrown costumes after half term.

There will also be a PTFA book day themed fundraiser. They will be selling Chocolate bars, with prizes available if you find a hidden golden ticket inside.

Friday 20th March

Red Nose Day

We will be supporting Comic Relief Red Nose Day 2026 and on this day children and staff are invited to take part in a mufti day, but wear something red.

We will not be collection charity donations in school, but parents can make a donation by either purchasing Comic Relief merchandise or by donating direct.

<https://www.comicrelief.com/rednoseday>

Reminder that costumes/own clothes should be suitable for day at school and the weather on the day. Shoes should have closed toes and secure. Children will still be going outside at break and lunchtimes and any PE lessons that day will be adjusted to accommodate own clothes.
