Dear Parents/Carers,

In Year 1, we are finding out how toys have changed. They will need to find out if their toys are the same as their parents and grandparents. We would love it if you (parents/carers and grandparents) could speak to them, show them photographs or artefacts of the toys you played with.

Here are some questions they could ask:

- In what year were you six years old?
- What was your favourite toy?
- Why was it your favourite?
- When did you get the toy?
- What games did you like to play?
- Are there any other toys you liked to play with?

The children will share what toys their parents and grandparents played with to the class and explain what was similar and/or different to theirs. Ultimately, the children will be enquiring into how toys have changed by asking questions then comparing the past and present and explaining the change/s.

Thank you for your continued support
