Fri 22nd May—Last day of half term normal finish time.
Mon 25th to Fri 29th May—Half Term School closed.
Mon 1st June—Children return to school.

Polka Theatre Workshop

On Tuesday 3rd March, Year 5 were thrilled to welcome Polka Theatre to High View for a very special performance of *Sisters 360*. This funny, heartfelt and high-energy play, written by Asif Khan, is inspired by the real-life “Hijabi Sisters” from Hull, three skateboard-loving siblings who have challenged stereotypes and inspired countless others, following in the footsteps of their hero, Olympic medallist Sky Brown.

The performance had everyone laughing, cheering and completely captivated. After the show, the excitement continued with an interactive workshop led by the actors. Year 5 explored important themes from the play, including change and friendship, and learned practical strategies to help them cope with change in their own lives.

It was a fantastic, inspiring day that sparked meaningful conversations and left us all feeling empowered!

Mrs Hazell

Year 2 Fairy Tale Hook Day

In Year 2 writing, we have been exploring traditional tales, including classic stories such as *Cinderella*, *Little Red Riding Hood*, and *Goldilocks and the Three Bears*. At the end of this topic, the children will be writing their very own traditional tale.

To help immerse everyone in the topic, we invited both children and adults in Year 2 to dress up as their favourite traditional tale character. It was wonderful to see the wide range of creative choices, and we thoroughly enjoyed sharing and celebrating everyone’s costumes on the day.

Miss Beeney—Rabbits

Year 2 Synagogue Visit

Year 2 visited a synagogue in Sutton to support their learning about Judaism. When we got there, we were very quiet and respectful and the boys got the chance to wear a Kippah (a Jewish head covering worn by men and boys). We learned that a synagogue is a place where Jewish people go to pray and learn. The guide showed us the Torah (the Jewish holy book) and a Yad (the pointer used to read the Torah). We also saw some interesting objects and symbols. We had a lovely time and learned lots of new things!

Mrs Mason—Moles

Stay Connected!

Don't forget to follow High View on X (formerly Twitter) for all our latest news, updates, and celebrations of school life. It's a great way to see what our pupils are achieving every day!

The High View Update

Science Week

High View took part in Science Week from 6th March. Throughout the week, children enjoyed a range of exciting activities that brought science to life. Everyone had the opportunity to think like a scientist and explore their curiosity about the world around them. The enthusiasm and creativity shown by the children made the week a great success!

Mrs Linehan—Woodpeckers

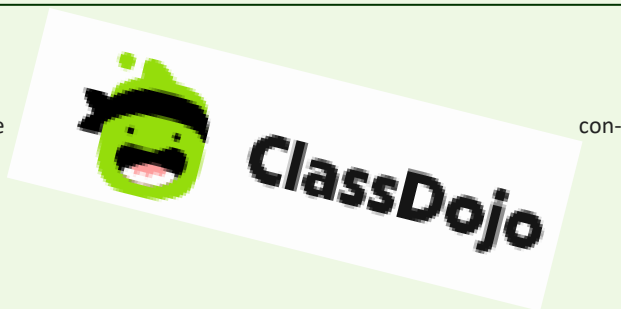

Dojo Winners

Congratulations to our Spring Class Dojo winners, who have consistently shown our school values and achieved the most Dojo's in their class.

- Robins—**Poppy**
- Sparrows—**Toby**
