8th May 2026

Dear Parents and Carers,

I am pleased to let you know that we will be celebrating Maths Week in school during the week beginning Monday 15th June 2026. This will be a fun and engaging opportunity for the children to explore maths in a variety of creative and interactive ways.

Throughout the week, we have planned a range of activities to promote enjoyment and confidence in maths. Children will take part in a special Maths Week assembly, create mathematical art, and enjoy a variety of hands-on investigation and problem-solving activities. There will also be opportunities for children to take part in maths games, interactive challenges, and practical outdoor maths activities to help bring learning to life in fun and engaging ways.

To celebrate the end of Maths Week, we will also be holding a Maths Mufti Day on **Thursday 18th June**. Children are invited to come to school dressed as a famous mathematician, a number, a shape, or anything maths-related. We look forward to seeing their creative ideas!

We hope this week will inspire a love of maths and show children how it can be fun, creative, and relevant to everyday life.

Thank you for your continued support.

Yours faithfully

Miss Chowdhury
Maths Lead
