Wednesday 24th June 2026

Dear Families,

Although the MET Office has de-escalated Friday's weather alert from red to amber, the temperature is actually forecast to be higher on Friday than Thursday. For this reason, we are extending our hot weather plan protocol to include this Friday 26th June. This means that for those families who would like to, children can be collected at 1:15pm. Those children who are not collected by 1:25pm will stay in school applying the usual end of day procedure.

Today, multiple parents attempted to collect their children after 1:25pm. This caused significant and avoidable interruption to multiple staff members. In some cases it led to our staff being out in the sun for longer than necessary. Please understand that if you are late to collect your child there is a knock-on effect that impacts other staff members as well as the remaining children.

If you have already given consent for your child to go home alone at 1:15pm on Wednesday and Thursday, we will apply this consent to Friday. **Please inform the office if you would like to make a change to this arrangement.**

We hope you are all keeping safe during this time and look forward to the school day returning to normal next week.

Many thanks

Mr R Claxton
Headteacher
