High View School Clubs – Autumn Term 2026

Please find attached a list of the extra-curricular clubs we are offering during the Autumn Term. Most clubs will be starting week beginning Monday 14th September 2026 and will finish week ending either Friday 4th December or week ending 11th December. **Please check with external club providers for their timetable of exact dates.**

If you apply for any external clubs/TA clubs, you will need to contact them directly as detailed in this letter and they will respond confirming if your child has a confirmed place, dates the club will run and payment details.

Club Attendance and Pick up Arrangements

All clubs will keep a register and your child will need to tell the teacher in charge if they have to miss the club for any reason. This is important for health and safety reasons and as a matter of courtesy. We will also need to know the collection arrangements and emergency contact details for your child for after school clubs.

Children must be collected on time at the end of each club, repeated late collection or missed sessions may result in your child losing their space. If your child no longer wants to attend an allocated club, please let the school office know as the club can be offered to another child.

Please see full list overleaf outlining the details of the clubs on offer. Clubs in grey are external providers and must be booked directly with them.

Yours sincerely
School Office
