6th October 2026

Dear Year 3 Parents and Carers,

We are writing to let you know about an unexpected change to the violin provision for our Year 3 children.

Unfortunately, our current provider has informed us that they are unable to source a tutor to continue delivering the Friday afternoon violin sessions. As a result, the final violin lesson will take place on Friday 16th October.

We appreciate that this will be disappointing news, particularly as the children have enjoyed developing their musical skills and confidence through learning the violin. This is a regrettable and unexpected change, and we are currently looking into alternative options to see whether we can reinstate a suitable instrument provision for the children in the future.

In the meantime, **violins will remain in school and will not be sent home.** We will ensure that the children continue to receive music education through music lessons delivered by their class teacher as with other year groups.

We would like to thank the children for their enthusiasm and commitment to learning the violin, and we hope to be able to provide further opportunities for them to continue developing their musical skills.

Thank you for your understanding.

Many thanks

Robert Claxton
Headteacher
High View Primary School
